## GET CLOSE TO NATURE

In Marysville, you can get out and play within minutes! Outdoor recreation is second nature here.

Visit Ebey Waterfront Park and Trail for shoreline access to the recently restored Qwuloolt Estuary and the Ebey Slough waterfront. The park includes a boat launch and picnic area. The paved trail offers easy access to a natural habitat experience close to home where walkers, cyclists and birdwatchers can get an up-close look at fish and wildlife including salmon, river otters, seals, and more than 250 bird species.

In the Sunnyside area of southeast Marysville, Olympic View Park offers magnificent views of the Qwuloolt Estuary, Ebey Slough and the Olympic Mountains. The park includes a picnic shelter, children's play equipment and wildflower meadows; its trail connects to Ebey Waterfront Trail.

Speaking of views, the Bayview Trail along the Bayview-Whiskey Ridge corridor in east Marysville offers soft hills and exceptional views of the city and Port Gardner Bay, then extends into a wooded section to the north to connect with the regional Centennial Trail near Highway 9.
