- 7.6 The Employer shall provide leave and benefits under the Family Medical Leave Act (FMLA) and Paid Family Medical Leave Program (PFML), as required by state and federal law, and administered in accordance with the Employer’s personnel policies and practices. In the event the personnel policies or practices conflicts with state or federal law, then the minimum requirements of the law shall apply. To the extent available, an employee shall use accrued paid leave (e.g. sick leave, comp-time, vacation, etc.) during FMLA leave to assure that the total scheduled leave of all kinds shall not exceed twelve (12) weeks in a period of 52 consecutive weeks, except that an employee may reserve up to a total of thirty (30) hours of accrued paid leave benefits during an FMLA leave of absence. During FMLA leave, the Employer shall continue the employee’s health insurance benefits on the same basis as active employees.
- 7.7 Eligible employees are covered by Washington’s Paid Family and Medical Leave Program (PFML), RCW 50A.04. Eligibility for leave and benefits, which begins January 1, 2020, is established by Washington law and is therefore independent of this Agreement. Premiums for benefits are established by law and for the period ending December 31, 2020, will total four-tenths of one percent (0.4%) of employees’ wages (unless otherwise adjusted up or down by the State). Each year, consistent with the law, employees will pay through payroll deduction the full cost of the premiums associated with family leave benefits and forty-five percent (45%) of the cost of the premiums associated with the medical leave benefits, as determined under RCW 50A.04.115. The City shall pay any remaining portion as required by law. In addition, the City retains the sole discretion to self-insure, provided benefits remain the same or better as those provided by the State of Washington. The Employer agrees that employees may use their accrued paid leave banks to supplement any benefit provided pursuant to RCW 50A.04, provided that such supplementation is permissible under the final PFML regulations. The maximum supplementation of accrued paid leave allowed, when combined with PFML benefits paid to the employee, shall not exceed 100% of the employee’s regular salary.
- 7.7 Shared Leave: Shared leave shall be pursuant to the City’s personnel policy which shall not be changed without bargaining with the Association.

The four (4) week period shall be based on calendar days, beginning on the date of the injury. In order to qualify for this benefit, employees must timely apply for Workers' Compensation benefits and surrender their time-loss checks to the City. In no instance will an employee be eligible to earn more than 100% of his/her regular salary.

ARTICLE VIII. HEALTH AND WELFARE

Annually, any premium increase applied to employees by the City for the self-insured Premera PPO plan may not exceed the percentage increase applied by AWC to HealthFirst 250 for the same calendar year. Rules regarding qualified contributions to the plan shall be as outlined by the chosen provider for this plan and the applicable IRS regulations. In no instance will a VEBA contribution be permitted that triggers actual tax liability under the “Cadillac Tax” of the Affordable Care Act.

The City will remit the amount deducted to the qualified Health Reimbursement Arrangement plan on behalf of each member. Each Association member is required to participate in this program and deduct the amount the MPOA members agree upon each year through a vote of its membership.

- 8.2 Dental Insurance: The Employer shall pay each month one hundred percent (100%) of the premium necessary of the purchase of employee and dependent coverage under the Association of Washington Cities’ Delta Dental Plan F, or equivalent self-insured benefits offered by the City. APPENDIX "A"
to the
AGREEMENT
by and between
CITY OF MARYSVILLE, WASHINGTON
and
MARYSVILLE POLICE OFFICERS ASSOCIATION
(Representing the Commissioned Law Enforcement Sergeants)

- A. The City and Association are parties to a Labor Agreement; and
- B. The City and Association have adopted a working schedule for Patrol Officers of three shifts of 12 hours on and three consecutive days off; four 10.53 hours shifts with three consecutive days off, and five 8.42 hours shifts with two consecutive days off.
- C. The parties have met, conferred and wish to resolve the issue.

NOW it is agreed:

1. Officers working 2190 hours per year shall bank 110 working hours per calendar year to account for hours worked in excess of 2080 per year. "Banked Work Hours" (BWH) are to be used when an officer is otherwise not working.
2. Officers may use BWH to supplement any regular scheduled duty day when because of training the officer has a "short shift" meaning a work period of less than 12, 10.53, or 8.42 hours. The BWH will "top up" the actual work hours to 12 hours for that shift.
3. Because BWH are actual straight time hours worked they shall be counted as such in calculating overtime during the work rotation period of eight days.
4. Hours worked, including BWH used to top up a short shift, in excess of 48 hours in a shift rotation of eight (8) days shall be compensated at time and one half BWH shall not be used to increase the hours in any shift beyond the normal work shift.
5. Officers allocating BWH shall write the hours allocated to a given shift on the "miscellaneous" line of the time sheet and put a small "B.T." next to the entry to signify the use of BWH.
6. Each officer with BWH may request a cash out of their BWH in June for July payment. Otherwise, the BWH shall be cashed out as the last paycheck issued in December.
7. It is understood by the parties that if the work shift or rotation should in the future be changed, the BWH shall be adjusted to provide for a "no gain no loss" concept as it relates to a normal 2080 hour work year.
8. Employees who have not been paid, in accordance with to this settlement shall be adjusted with the next payroll.
9. For purposes of complying with Section 7(k) of the Fair Labor Standards Act, the work period shall be twenty-four (24) days. This settlement shall be an agreement of the parties regarding section 7(k) of FLSA
