

Sidewalk Creations Course

Get creative building a fun course with sidewalk chalk! Kids can make several different courses that allows for their imagination to shine through and get them movin' outdoors! If you have multiple kids, have each of them make a course and challenge each other to race through them. Have fun!

Materials Needed:

Sidewalk chalk

Instructions:

Come up with different “stations” in your course to complete as you race towards the end. Pictured below is one idea you can use, but encourage your kids to get creative with this.

Star Start- To start off the course, do a star jump on each of the stars.

Classic Hopscotch- Follow the hopscotch squares to the next "station" and perform your best star jump!

Crazy Line Walk- Follow the line

Dance Move- Finish the course with your favorite dance move!
