

Painted Rock Flower Garden

Just in time for spring! This is a fun craft that can take an hour or several days and is perfect for the entire family.

These flower painted rocks brightens up any garden in the spring and make a fun gift. You can get creative and paint rock insects for your garden as well.

Ingredients/Materials Needed:

- Rocks (as many as you want of different shapes and sizes)
- Water for washing
- Paint
 - Waterproof/outdoor paint (works for indoor or outdoor painted rocks)
 - Craft Paint (for indoor painted rocks)
 - Clear Coat Waterproof Protectant Spray (if using craft paint for outdoor painted rocks)
- Paint Brushes (different sizes)
- Paint sponges (if you want a sponge technique)
- Paint Sticks or Unsharpened Pencils (if you want dot painting)
- Water
- Paper Towels
- News Paper or Plastic Table Cover or Plastic Bags (to protect your work area)
- Photos of Flowers for Inspiration

1. Choose rocks of different shapes and sizes.

2. Wash rocks to remove dirt and let dry.

3. Choose a rock and flower to paint. Start painting and have fun!

4. Make different colors and types of flowers and insects for your garden.

5. Let dry.

6. Spray with clear coat for waterproofing if needed (ask an adult do this).

7. Place in garden or give to a friend.
