

Tissue Paper Stain Class Window

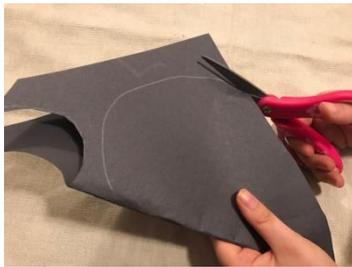

Materials Needed:

- Tissue Paper (variety of colors)
- Construction Paper
- Scissors
- Pencil
- Scotch Tape

1. Cut 1 inch frame out of construction paper

- Fold paper in half
- Draw shape with pencil
 - Cut outside edge of paper
- Draw inside line about 1 inch from the edge
- Cut along inside edge creating a 1 inch frame

2. Cut tissue paper into 1 inch strips

3. Tape the tissue paper strips on to the frame

- Try different patterns and designs
- It is helpful to also put a little tape connecting each strip to each other

4. If you have any leftover strips you can tape them on the outside of the frame to hang down.

5. Hang in a window and enjoy.
