

T-Shirt Bag

Materials Needed:

- T-shirt
- Scissors
- Fabric Markers or Sharpies/Permanent Markers

1. Bag handles – lay shirt out flat and cut off sleeves.

- For short bag handles cut outside the seam on the sleeve portion
- For Long bag handles cut inside the seam between the shoulder and the neck (closer to the shoulder)

2. Bag opening

- For a small bag opening do not cut the neck. Remove the tag
- For a larger opening cut along the neckline removing the neck trim

3. Bag bottom

- Cut strips along the bottom of the bag about 1" wide and 3" long
- For fringe that hangs down tie the strips as tight as possible with a double not
- For a bag without fringes, turn t-shirt inside out to tie the knots then turn it right side out again for a completed bag

4. Decorations

5. Using fabric paint or permanent markers, decorate the bag
