

## **Community Engagement**

Historically we have sought ways in which to connect with the Marysville community with the purpose being to strengthen relationships and create partnerships with community members.

Examples of our commitment to engaging with our community include:

- Coffee with a Cop
- National Night Out
- Citizens Academy
- Youth Leadership Academy
- Touch-A-Truck
- Coats for Kids
- Special Olympics
- Shop with a Cop

If you have events or other opportunities for your police department to engage or participate, please reach out to us for discussion at 360-363-8314.
